

COOKIE POLICY

This Cookie Policy (“**Policy**”) is intended to inform you how Relendex uses a technology called “cookies” and web server logs. This Policy is intended to assist you in making informed decisions when using Relendex’s Website. Please take a minute to read and understand the Policy. This Policy should also be read in conjunction with our Privacy Policy <http://relendex.com/privacy>

What Are Cookies and What do They Do?

A cookie is a very small text document, which often includes an anonymous unique identifier. When you visit a website, that site’s computer asks your computer for permission to store this file in a part of your hard drive specifically designated for cookies.

Information gathered through cookies may include the date and time of visits, the pages viewed and the time spent at our Website.

For further details on cookies, please visit [All About Cookies](#) where you can find comprehensive information on cookies and similar technologies.

Consent to the Use of Cookies on this Website

By continuing to use our Website, you are deemed to consent to our use of the cookies described in this Policy. If you do not consent to Relendex using cookies then please read the next section of this Policy entitled “Blocking of our Use of Cookies”.

Blocking our Use of Cookies

You can block our use of cookies by activating the settings in your browser. Please visit [All About Cookies](#) where you can find comprehensive information on cookie management and blocking for a wide variety of browsers.

What Happens if I Block Cookies?

In order to use certain services offered through our Website, your web browser must accept cookies. If you choose to withhold consent, or subsequently block cookies, some aspects of the Website may not work properly and you may not be able to access all or part of our Website.

How We Use Cookies

Analytics

We use “analytics” cookies which, in conjunction with our web server’s log files, allow us to calculate the aggregate number of people visiting our Website and which parts of our Website are most popular. This helps us gather feedback so that we can improve our Website and better serve our users. We do not generally store any personal information that you provide to us in a cookie.

Content Management

We also use cookies as part of our use of Joomla's web content management solution. This solution is used by us to organise the content that you can view on our Website

Affiliates

We also use cookies to support our relationships with our third party affiliate partners.
